Dec 10th, 2019 10:30am – 12:00pm

2. Members Present: Kelly DiNapoli, Colleen Cenk, Dave, Deb

Standing Items:

1. Shared names of new members (Educ co-chair and at-large) to ACCR Steering Committee Reminded committee to please continue to consider blogs, pics, and/or posts for website and Facebook page. Discussion about FB page of ACCR.
2. Try to reach out to the transition age youth to be more involved. Increasing membership

New Items:

2. Equity training follow up – is there a need for a separate point person or committee? If so, what traits would this person exhibit? What would the structure of their position be? Would they be a steering committee member?

Team thoughts: Could this be done thrh Grievance Committe? or by a non-voting member of Steering Committee? This person or persons should be objective, open and approachable, knowledgeable about MH and Diversity. Another thought would be to have an ACCR Facilitation/Mediation training for co-chairs

Updates:

Still waiting for Co-chair Update

1. Kelly has submitted order for Healthy in All Ways Poster – AIU has agreed to put posters in DART and Headstart locations. Kelly reached out to other EI programs. COTRAIC agreed, did not hear back from others. Discussed future options for poster to include website, facebook, QR code. Kelly will order 150 posters. Discussed putting a post on Facebook to identify the locations of posters and ask if people share whether or not they've seen them in the comments
2. TAY Resiliency Checklist – Still need to review checklist and narrow ideas. Steering Committee shared ideas for promo products
